

# Groups

Groups are home to Members, Meetings and Meeting Documents, added can also be a Forum area and a chat function.

You can attend meetings, download documents and get news updates from groups. This chapter takes you through the central features and how they work.

NOTE: The group SE 24 is used as an example in this chapter but the functionality described applies to all groups throughout the website. Groups are available through the dropdown-menu at the top of the page.

# Group Content

All groups consists of a series of default content items.

## **Group info:**

Consist of Terms of Reference (**ToR**) for the group and **Contacts** for the group. More pages can be added to this section if necessary.

## **News:**

is listed on the left when you enter a group. The list shows news items in reverse chronological order with the most recent posts on top. Clicking the title of the news item takes you to the full news article.

## **Images:**

Chairs and ECO can upload pictures for the carousel.

## **Links:**

There are three boxes available for adding links to the right on a group's front page.

The ECC is the leading expert group within CEPT responsible for developing common policies and regulations in electronic communications and related applications for Europe and harmonising spectrum use.

### NEWS

10 Jul 2023, 10:08

# Group Membership

In order to become a member of a group you need to apply for membership. The Chair must approve your application through the administrative interface for the group.

When you are approved as a group member, you will have access to the protected documents for the group and will automatically be a part of this group's mail reflector. You will also be part of the group chat where enabled.

## Request group membership

To become a member of the group you need to apply for membership via the link in the Group information box, click "request group membership". The link will take you to a form where you can submit your application to the Chair of the group.

### APPLY FOR GROUP MEMBERSHIP

You can apply for group membership by sending an application to the chairman of the group. Make sure your profile information is up to date before you submit the form below.

Message

A large, empty, light gray rectangular box intended for entering a message.

Apply

Chairman

# Group information and functions
