

Chat

The MeetingHub tool contains a basic chat tool.

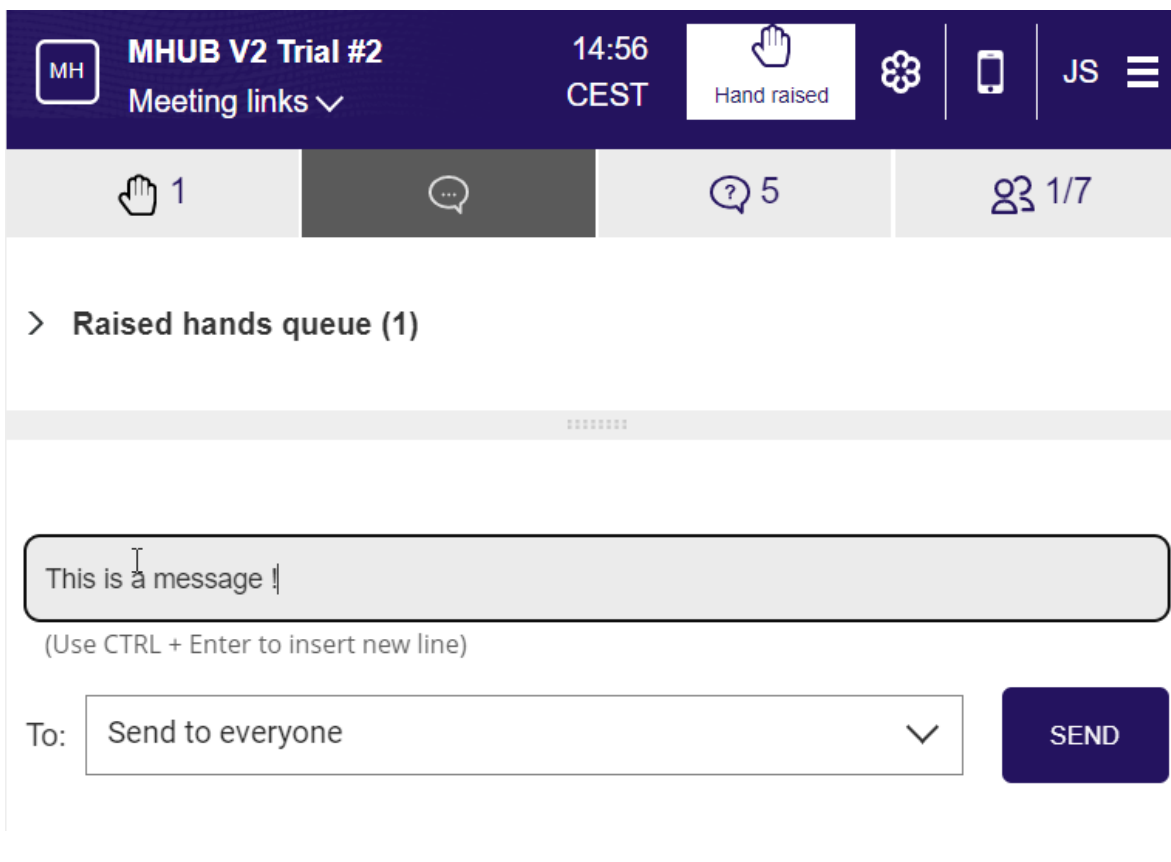

The tool also give you access to see the raise hand list at the top of the window by clicking the small arrow next to the title "Raised hands queue".

You can write chat messages either to all members of the MeetingHub session, or privately to a single person.

Write the message in the indicated field, select recipient (default is "Send to everyone"), press enter to send, or click the send button.

If you need to insert new lines, you must press both the Ctrl and Enter key simultaneous

If you need to insert a link to a webpage, please provide the entire URL (i.e. https: in front)

The screenshot displays the MeetingHub interface. At the top, a dark blue header bar contains the MeetingHub logo (MH), the meeting title "MHUB V2 Trial #2", the time "14:56 CEST", a "Hand raised" indicator, and user information "JS". Below the header, a navigation bar shows icons for "Hand raised" (1), "Chat" (5), and "Participants" (1/7). The main content area features a section titled "Raised hands queue (1)" with a right-pointing arrow. Below this is a large text input field containing the placeholder text "This is a message !". Underneath the input field, a note reads "(Use CTRL + Enter to insert new line)". At the bottom, there is a "To:" dropdown menu currently set to "Send to everyone" and a dark blue "SEND" button.
